On this page you can learn a little bit about Mr Richards and what lead to him founding the largest British Motorcycle Museum in the world. Close The Collection The Collection The National Motorcycle Museum houses the largest collection of British motorcycle's in the world with over 1000 machines from 170 different manufacturerers spanning no less than three centuries! Of the 1000 plus machines in the collection there are around 850 on display at any one time throughout the museum's five huge display halls.Close Special Exhibitions Special Exhibitions With an inventory of British Motorcycles as large as ours the displays in the five halls that make up the National Motorcycle Museum and constantly evolving and changing.However our mainly alphabetical listings are designed to whet your appetite as regards just how special a place The National Motorcycle Museum really is. Close Team NMM Racing Team NMM Racing Team National Motorcycle Museum Racing was formed in 2015 to contest the F1 race in that years Isle of Man Classic TT when William Dunlop rode one of the museums original and iconic rotary Norton race bikes. The team exists to showcase some of the museums competition inventory as it was originally intended to be used back on track!Close Latest Acquisitions Latest Acquisitions During any given year any number of new machines will go on display within the five large halls that make up the National Motorcycle Museum. These machines will have come from a number of sources including new acquisitions or those from our own "stock" of unrestored machines that have been renovated in the Museum's own workshop. Please click here to learn more about the Museums collecting policy. On this page you will find regular updates about which machines have just come into the collection. Close Meet The Team Meet The Team It's not just the bikes at The National Motorcycle Museum that make us so special.

Our friendly and knowledgeable staff are here to make your visit informative as well as enjoyable.You can discover more about everyone on the main Meet the Team page and find out more about their roles within the greatest motorcycle museum in the world. Close Latest Videos Latest Videos View some of the footage of our latest exhibitions, demonstrations and Friends of the Museum events. Featuring some of our latest must watch videos weve assembled a collection of The National Motorcycle Museums best content.When near to our location which is situated on Junction 6 M42 Motorway we also suggest following the brown signs.Currently, no date has been set for the reopening of the museum collection following the recent lifting of restrictions on museums and galleries. For more important information, please visit the dedicated COVID19 information page. The Museum collection now boasts some 1000 plus machines, fully restored to the manufacturers original specifications with over 850 on display at any one time. The award winning conference centre has 13 purpose built suites available, including the Wardroom, seating small parties of up to 20 guests, and the Imperial Suite which can host 1000. Close What Our Visitors Say Testimonials I was amazed at how many bikes were on display and how many different manufacturers bikes there were. We spent the day at the museum and enjoyed a delicious lunch at the cafe where the staff

were lovely and helpful. For more details see the main Museum Tours page. Building on Museum founder Roy Richards incredible legacy we want to give enthusiasts the chance not only to be part of, but more importantly, to take part in some unique activities that just wouldn't be possible otherwise. Offering an item to the museum Collecting is the core work that we do and new material is being added to the collections all the time. We are always grateful for offers of British Motorcycles, spares and related artefacts.

For more details please see the main Offering an item to the museum page. Volunteers Volunteers are an important part of our work and in return the Museum can offer a valuable and fulfilling experience to those willing assist our work. People volunteer for a wide variety of reasons and for more details see the main Volunteers page. On the Fundraising and Donations page you will find more details of how you can support us. For more details see our full events list. Upcoming Events For more details see the main Museum Live page. The National Motorcycle Museum is a popular destination for all types of educational groups wishing to explore all aspects of the UK's great motorcycle manufacturing heritage. We advise all of our customers to have a Genuine parts book as it allows you to see exploded views of the parts you need along with the quantities.

This book quite literally takes the BSA and Triumph Unit Single engine apart, then it shows how to rebuild the engine correctly. The book includes wiring diagrams, complete specifications, hundreds of illustrations, a wealth of invaluable advice and tuning tips to make your unit single perform. The Rupert Ratio Unit Single Engine Manual will also be of interest to all BSA enthusiasts since it charts the development of one of the last and most successful machines to come out of Small Heath. Long after the factory closed Unit Singles were still a competitive force in trials and motocross riding and many are still used for that purpose today. Haynes Manuals These books contain helpful hints not found in the factory manuals. The descriptions and photos are excellent, allowing you to make repairs easily and with little frustration. However, we would always first recommend the original manual over the Haynes. Electrical Boyer Ignition. Kits Headlamps Horns Indicators Pazon.
